money work harder

FIND OUT HOW

As a valued investor in Argosy Property it's your money that allows us to do all the things we do. Let us show you how we put your money to work.

Join us at our annual investor roadshow for an update on property markets and what this means for adding value to our properties, our tenants and to our investors.

In the 2021 Retail Roadshow presentation, CEO Peter Mence and CFO Dave Fraser will update investors on:

- Our strategy and key highlights from the FY21 financial year;
- Our environmental focus including 'greening' the portfolio and reducing our carbon emissions;
- New Zealand's economic and real estate leasing environment from our perspective; and
- Any other areas of our business shareholders are keen to talk about.

The presentation will be followed by light refreshments and the opportunity to meet other Argosy investors and to speak directly with some of the management team.
